

Stainless Steel Accessories for Trucks

KENWORTH

*Proven, reliable and
always innovative.*

TRP® provides aftermarket parts for all makes of commercial equipment — including trucks, trailers, buses, engines and winches — that surpass expectations for quality, dependability and value. Regardless of the age, make or application of your equipment, you can rely on TRP for a full line of replacement parts.

KENWORTH

STAINLESS STEEL ACCESSORIES

Trusted. Reliable. Proven.

Choosing the right replacement part or service for your vehicle—whether you own one, or a fleet—is one of the most important decisions you can make for your business. With tested TRP parts, it's an easy decision.

TRP offers you a single aftermarket source for all your parts needs. TRP parts are manufactured and tested to exceed your expectations with a level of quality, value and reliability that is second to none.

TRP Catalog Disclaimers

Information and images have been provided by our network of suppliers and may not be reproduced in any manner without written permission. For further information on a product please contact customer service. TRP disclaims all responsibility for any loss, injury, liability or damage of any kind resulting from, arising out of or in any way related to errors or omissions from this publication, including but not limited to typographical errors.

The cross-reference information in this catalog is based upon data provided by several industry sources and our partners. While every attempt is made to ensure the information presented is accurate, we bear no liability due to incorrect or incomplete information.

Product Availability

Due to export restrictions and market demands, not all products are always available in every location. Check for availability in your area with your local TRP® Distributor.

TRP® PARTS

TRP® parts for trucks, trailers and buses are available through authorized retailers that include Kenworth, Peterbilt and DAF dealerships around the world. Supported by a worldwide network of parts and service professionals, TRP offers dependable aftermarket products that are designed and tested to exceed customers' expectations for quality and value. Regardless of the age, make or application of the vehicle, TRP is the all-makes answer.

QUALITY AND VALUE FOR ALL MAKES OF TRUCKS, TRAILERS AND BUSES

Drivers and their vehicles—trucks, trailers and buses alike—are constantly being tested. Whether it's the elements, the schedule or the terrain, you must be prepared. The TRP® line of parts and service is engineered to withstand those tests—and exceed them.

TRP is dedicated to providing quality replacement parts for all makes at great value. It's the partnership between tough parts and the roads that test them. It's a focus on extending the life of your vehicle, no matter the make, so you can get the most out of your truck, trailer or bus.

What TRP means to you is confidence. Confidence that you're covered, no matter your make or vehicle. Confidence that the job will get done. And the confidence to take on whatever test may wait around the next turn.

Stainless Steel Accessories for Trucks
